

Health Information Technology Exchange of Connecticut Special Population Committee

The Special Population Committee is responsible for making recommendations regarding how to involve community based service providers in the development of the statewide HIE. The Committee will also make recommendations specific to the following:

- ❑ Medically underserved populations
- ❑ Newborns, children and youth, including those in foster care
- ❑ The elderly
- ❑ Persons with disabilities
- ❑ Limited English Proficiency persons
- ❑ Persons with mental and substance abuse disorders
- ❑ Persons in long term care
